

September 8, 2002

Dear Congressman Cleaver,

I want to express my thanks
for being able to join you recently
at the broadfields announcement and
Roundtable in Kansas City. I am proud
to be part of an Administration that
cares so much about improving the
lives of Americans, and know that
is what you are all about as well.

If there is ever anything I or my
office can help you with, I hope
you will reach out to me.

Jeff Reinkemeyer
